Development and Training Days 2025

Development Days

Successful Development Days have taken place at Town Loch, Cotswolds and Dams Watersports. Thanks to Tom Parkin, Glen Campbell and Damien Ackerer for coaching.

Invitational 'Talent Spot' Trick/Slalom Days

We have decided to refine the offering this year and propose to run an invitational 'talent spot' day at [Rickmansworth](#) and possibly at an additional site this year. This initiative will focus on strong, young skiers who may have the potential to ski for Britain in the future. More details to come.

Invitational Jump Camp

We shall also offer an invitational jump event to create a cohort of young competitive skiers in the jump event. This will focus primarily on those skiers we have already taught to jump from prior Development Days, and we hope will create a strong bond between those skiers too. More details to come.

Youngsters' Intro' Days

We are also proposing one or two intro days for young skiers feeding into clubs. Again, more details to follow as plans are finalised.

Under-21 Slalom/SBD3/Coaching/Judging Camp

Finally, we have agreed that we should run a day, for promising under-21(non-team) skiers who have much to offer as both skiers and officials in the future. The idea would be to enhance their skiing and competition preparation whilst also preparing them for SBD3 Driver qualifications alongside coaching and judging qualifications. This might be a one or two day affair and is work in progress.

So, an ambitious programme for 2025 building on 7 years of Development Day experience

Loan Kit Scheme

The Loan Kit Scheme is now being managed by Cora Coster and Adele Fearn. The arrangements are that a piece of equipment can be borrowed for six months but then must either be returned or purchased. If you have equipment on loan that should be returned please contact Adele or Cora. An extension to the loan period can also be requested. If anyone is looking for kit please contact Adele or Cora to see what is available. Cora Coster at cora@carpolinsurance.co.uk or Adele Fearn at adelefeearn99@gmail.com

Projected Spend 2025

FoT Basic

The projected spend for 2025 is £62,200. With a £62k spend, we are forecasting a carryover amount into 2026 of around £16k.

Participation Grants for World and E&A Championships	£33,100
Development Days	£12,500
Training Camps	£2,500
Squad Training Vouchers	£5,000
Nationals Medals	£1,000
Coaching Vouchers 2024/25	£3,500
Equipment/Merchandise Purchases	£4,800
Grand Total Spend	£62,200

Jill Howard Legacy Fund

Although flexible the general plan is to spend around £17k each year on projects that Jill would have appreciated. This would mean the fund lasting for about 15 years. So for 2025 the plan so far is as follows:

Five Squad Grants	£5,000
Three D Day Skier Grants	£1,500
Backyard Event Support	£3,600
Jill Howard Youth Festival	£1,000
Technical Support Grants	£4,500
Officials Support/Training	£1,400
	£17,000

£16,200 has been spent so far including 9 clubs receiving grants of £500 each to upgrade technical kit for competitions, 2025 Rulebooks for our Officials, Backyard Event support and Youth Squad Grants.

The recipients of the five Youth Squad £1,000 Grants for 2025 are:

Harley Coster, Lilli Deste, Noah Pollard, Harrison Crossland and Sebastian Turp

We know that the other applicants will be disappointed but assessing the applications is a tough process and we only have five grants available.

We hope that the Grants will help and encourage the recipients to achieve their goals over the next year.

FoT Merchandise

There is new FoT Merchandise available this year with caps and polo's in new colours and the addition of Hoodies. Look out for them at events later in the year
