

Membership Renewal

This guide will show you how to renew your BWSW member if you were a member last season.

Note: if you are a club/centre member, your club/centre will need to renew your membership on your behalf

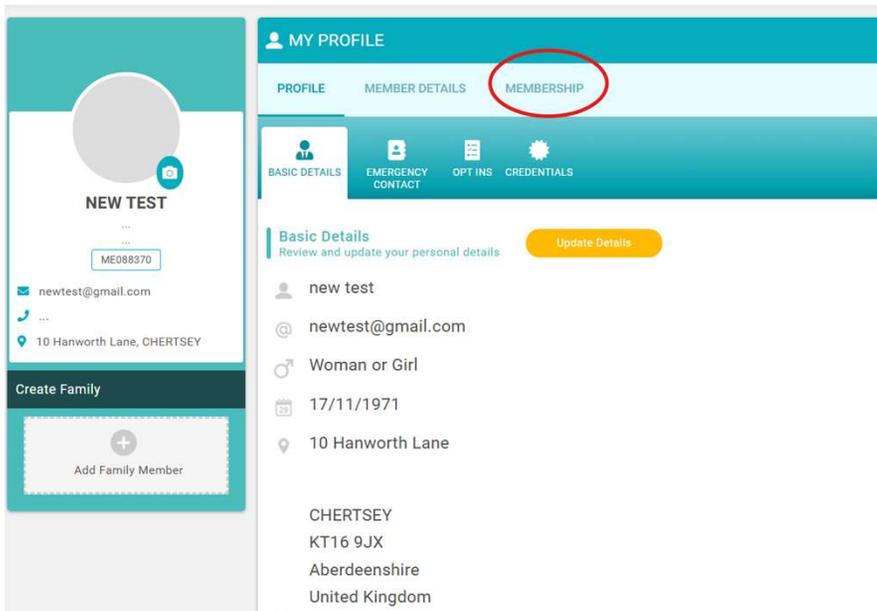

Membership Renewal

If you were a member previously, you will already be set up on our new membership platform. You will need to register/activate your online account. If we do not have an email address for you on file, you will need to contact us by phone or email. If we hold an email, you will have received an email requesting you activate your account and inviting you to renew your membership.

Membership Renewal

To start the renewal process, log in to your account and select 'membership'

A screenshot of the 'MY PROFILE' page on the BWSW JustGo Membership Platform. The page has a teal header with a user icon and the text 'MY PROFILE'. Below the header are three tabs: 'PROFILE', 'MEMBER DETAILS', and 'MEMBERSHIP', with 'MEMBERSHIP' being the active tab. Underneath the tabs, it says 'Categories > Direct Members' and has two buttons: 'Active' (highlighted) and 'Expired'. A dashed box contains a button that says 'Add, Renew or Upgrade your Membership +'. Below this, it says 'These are your active membership(s)'. A membership card is shown, titled 'Single Adult' with 'Valid till: 31/03/2026'. The card features the BWSW logo and a 'click to renew' link. A red oval is drawn around the membership card.

If your membership is due for renewal, you will see an upcoming expiry date and the membership plan box will read 'click here to renew'

Membership Renewal

If you have chosen 'click to renew', you will then be shown the membership plans which are available to you, based on previous membership and your current profile
